Alice and the White Rabbit

Join Alice on her magical adventure as she chases the White Rabbit back in time on a fantastic spiraling journey into Wonderland. Watch her change in size in Indigo Moon's dream-like adaptation of the famous tale by Lewis Carroll, told through shadow theatre. On her journey she meets the Cheshire cat, a two-legged dragon and the March Hare at the mediaeval Mad Hatter's tea party. But beware the Queen of Hearts or you might just lose your head...!

Alice & the White Rabbit celebrates different shadow techniques and is inspired by the gothic architecture and mediaeval times of the original white rabbit statue which really exists in St.Mary's Church, Beverley, East Yorkshire.
